

Squaw Work Will Start Soon; Bill Goes To Governor

Action Of Legislature Gives Assurance Of Game Facilities

The State of California can begin building operations in Squaw Valley within the next few weeks.

The state senate made this possible Monday when it concurred in the amendments to Harold T. Johnson's Squaw Valley bill, which allows another \$2,990,000 to be spent on the 1960 Winter Olympics.

Sent To Knight

This elevates the total expenditure to \$8,990,000 for what will be billed as the greatest show in the history of the Winter Olympics.

The measure, the object of no debate on the senate floor was given unanimous assent.

It was then sent immediately to Governor Knight's desk, where it will probably receive gubernatorial approval within a few days.

Doubt Settled

The governor has 30 days before he is forced to act, but he has backed the bill all the way and speedy sanction is anticipated.

The senate's action on the amendments follows the Squaw Valley bill's passage by the assembly on Saturday. The vote was 56-5, an astonishing majority and indicative of the support throughout the state.

Furthermore, the senate's latest action settles any world-wide doubt as to the ability and intent of California to carry out its promise to stage the Winter Olympics.

Next move will be to notify International Olympic President Avery Brundage, so that the latter can tell all nations that the games are definitely set for California.

Under the terms of the bill passed on the weekend the permanent facilities of the Winter Olympics will be retained by the state as a state park and can be rented out to concessionaires. Thus, the state is expected to get back most of its investment in the years following 1960.

The move by the senate would up action on the bill, which gives the state limited power to condemn land for the games.

The \$2,990,000 is to come out of state park funds, the same source previously used by the legislature in appropriating \$5,000,000 for the games.

Awards Are Made At Graduation Of High School Class

An awards assembly was held at the Tahoe-Truckee High School last Thursday morning as a part of the closing ceremonies for the 1956-57 school year.

C. W. Sciutto, principal, acted as master of ceremonies for the program, and announced the names of the students making the perfect attendance list for the year. They were Dana Hamilton, Dee Dee Frates, Mary Pratt, Quinton Kay, Terry Walker, Errol Kirby, Linda Morrell and John Wood.

Judy O'Neill, student body president, gave a short address and then presented a farewell gift to Miss Betty Lou Raker from her Wolverette basketball team.

Athletic awards were made to various individuals who had earned their blocks for the year, including the newly established Dick Little Memorial Award for the outstanding athlete. Roy Waters, Truckee Lions Club president, made the presentation to graduating senior, Bob Trask.

Other recipients of special honors included the following: Rosalie Christensen, Reno Beauty College scholarship; Judy O'Neill, the newly created High School P.T.A. scholarship; Nikki Ann Wing, the newly created Ray Sorensen Memorial scholarship by the Lake Tahoe Lions Club and Linda Loynd and Carol Street, the two Tahoe-Truckee Education Association scholarships.

Lee Apple presented the Bank of America Achievement Certificates to Linda Loynd in the field of English, Nelda Stone in the field of music, Nikki Ann Wing in the field of mathematics and science and Carol Street in the field of social studies as well as the over-all achievement trophy.

Student council pins were presented by Advisor Norman Dewhurst to the retiring officers, including President Judy O'Neill, Vice President Ken Vaughan, Secretary Jude Commagere and Treasurer Linda Loynd as well as the various class and organization representatives.

California Scholarship Federation Life membership pins were presented to Marilyn Brown, Karen Decker, Linda Loynd, Carol Street, Joanne Palmer, Nikki Ann Wing, Judy O'Neill and Sonja Schmidt by their advisor, Thelma Meiss.

The assembly was followed by a picnic and play-day and the official closing of the school year.

LAST RITES HELD IN TAHOE FOR WRIGHT

TAHOE CITY—Friends here are grieved and shocked for the Bruce Wright family for the death of the husband and father. Newell Brewster Wright died Saturday after undergoing treatment for several days after a heart attack last week.

A native of California, Wright was born in Santa Clara August 16, 1910. Most of his childhood and youth was spent in California, but after his marriage he and his wife, Elaine, moved to Alaska where they lived for 12 years in and about the Matanuska Valley.

Five years ago they moved from Alaska to Tahoe City where Bruce has been employed as foreman operator for the Placer County road maintenance. He leaves, besides his wife, four children, William, 20, Sharyn, 17, Michael, 12 and Susan, 9. Elaine has been teacher and director of the Tahoe City and Truckee Nursery Schools for the last three years.

Graveside services were held at Trails End cemetery at 10 a.m. Tuesday.

TWO BOARDS WILL STUDY PORT PLANS

The Placer County Board of Supervisors will attend the public hearing of the Nevada County Supervisors Friday, June 14, at 2:30 p.m. on the proposed Tahoe-Truckee Airport. The proposed airport would be located both in Nevada and Placer Counties.

The Placer supervisors have indicated they will vote acceptance of the petition asking formation of the airport district following the meeting in Nevada City June 14. They will then set their own public hearing to be held in the Lake Tahoe area.

To Give Report

Mrs. Pearl Heller, delegate to the recent convention, will give her report at a meeting to the Pythian Sisters tonight at 8:30. All members are asked to be present.

Plan Advanced To Provide Sewer In Area West Of Here

Two Bond Issues Required To Provide Service For District

An engineering report of the best methods of providing an adequate sewer disposal system for the Gateway Park area and improving existing facilities in the Truckee Sanitary District was submitted to the sanitary board at their last meeting by Russell Ludwig.

Under present plans the Gateway property owners would comprise a special assessment district for financing the installation of mains and a bond issue would be required. To provide needed improvements and enlargement of the existing system, a general obligation bond issue, to be financed by the entire district, would be necessary, Paul Chamberlain, attorney for the board, explained.

The engineers are currently completing their survey and should be able to supply tentative costs and time required for the project within six or eight weeks, Chamberlain explained.

The board also discussed the possibility of annexing the Meadow Lake and East Donner areas, petitions having been filed by the residents of those communities. However, no action was taken by the board pending completion of the plans for the Gateway district with an aim to determine how the systems could be merged and what anticipated costs could be expected.

Also attending the meeting was John Leggett of the state water pollution control board.

It is hoped that work on the Gateway area, at least, can be started this year or early next spring.

YUBA BAND WILL GIVE CONCERT AT TAHOE ON FRIDAY

TAHOE CITY—The famous Yuba City High School Band, under the leadership of J. Wilson McRae, will make its annual visit to Tahoe City tomorrow, Friday, and will play a concert near the Big Tree at 7:30 p.m.

Aside from the band numbers, there will be trombone solos and trumpet trios.

All members of the Tahoe-Truckee High School Band have been invited by Prof. McRae to join and play with his organization. For the benefit of those so desiring a rehearsal will be held Friday afternoon at 4:30 at the Tahoe Lakeside Cabins.

The public is invited and urged to turn out and enjoy hearing these talented young musicians.

Changes Made In Local Library Summer Dates

Changes have been made in the summer schedule of vacations and work program at the high school. The Community Center Library will be open the week of June 17-21. It will, however, be closed for two weeks beginning June 24 and extending through July 5.

Books now in circulation due back prior to July 5 make be returned later without the overdue fine. Librarian Roy Baker said.

LAKE WOMAN HURT IN AUTO ACCIDENT

Mrs. Sue Hileman of Crystal Bay, Lake Tahoe, was injured when her 1949 station wagon smashed into a tree on Highway 27 just below the Mount Rose summit.

Deputies said the station wagon was demolished by the impact. Mrs. Hileman's injuries were not believed serious.

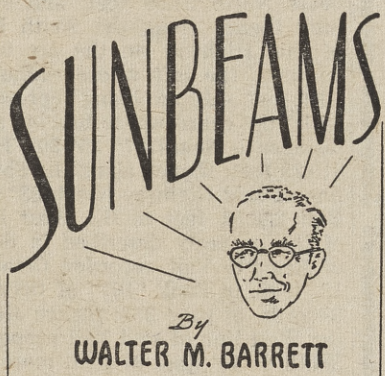

WYETHIA CLUB TO HOLD MEET FRIDAY

Dessert will precede a business meeting of the Wyethia Women's Club to be held Friday, June 14 at 1 p.m. at the clubhouse. Mrs. Henry Toccalini will be in charge of the white elephant and Mrs. Ray McCarty will preside at the business session.

All women interested, whether members or not, are invited to attend.

Thomas Better—

Rex Thomas was in Nevada last week receiving treatment for a prolonged illness.

By WALTER M. BARRETT

Passage of the bill providing for funds to make permanent installation for a winter sports center in Squaw Valley was one of the most outstanding accomplishments to benefit this area that has ever come out of the legislature and we can all thank those who have worked so hard for so many long months to make the 1960 Winter Olympic games possible. This terrific investment should, and no doubt will, bring to the North Tahoe, Truckee and Donner areas the greatest advance ever dreamed of and if properly planned can result in lasting good and bring a new era to the Sierra. By proper planning we mean that the communities affected must start right now to make this potential development sound and wise. Inflated prices for rentals and other living necessities can easily result in all the good which may come from the program turning sour and bring criticism which we might never live down. It has happened before. Fair profits and good business practices will result in a stable, healthy community which will continue to develop with the passage of time. Any other course may prove disastrous. We suggest organized planning and future thinking.

Cancer Fund Drive Starting Saturday

The annual Cancer Fund drive will start here Saturday and Chairman Orla Swauger is in the process of mailing out more than 1500 letters to prospective donors.

These letters contain information explaining the drive and have return envelopes for the convenience of the receivers. The drive will continue throughout this month. Swauger said, and it is hoped that personal solicitations will be unnecessary to supplement the letters.

"There can be no question regarding the need for this important project," Swauger declared. "We are hopeful that the residents of this community will respond generously so that the drive can be brought to a speedy and successful termination."

MORE THAN \$1000 IS GIVEN TO RED CROSS

The Red Cross fund drive with George Kaspian as chairman is continuing this week to receive contributions from members of the committee who have not completed their section of the area.

With the amount more than \$1000, as announced last week, the drive has been termed successful in the community.

Another Lightning Fire Is Reported In District

Lightning which struck the district during a storm May 29 caused a fire on June 8, located three miles northeast of Boca reservoir, according to Henry Toccalini, Tahoe National Forest supervisor.

The damage was small although the area burned took in a quarter of an acre. This is the fourth fire caused by lightning this season with three more blamed on men, July 11.

STATE EMPLOYEES TO HOLD FINAL SESSION

The final spring meeting of the Donner Chapter, California State Employees Association, was held last Thursday evening at Smart's Restaurant. Frank Estep, the association's director for Region 16, was the guest speaker.

Much of the meeting was devoted to plans for a region-wide C.S.E.A. meeting to be held here July 20.

Special guests of the evening were Carl and Bea Whitefield and Una De Remer. Whitefield is the recently appointed park supervisor for Donner State Park.

Cook Arrives—

Albert Talarico of Grand Junction, Colo., has arrived and will be employed as a cook at Smart's.

College Bond Vote Set For October At Meet Of Board

Site Selection Must Await Outcome Of Voting, Official Says

Voters of the Sierra College District will ballot on October 18 on a bond issue to provide a new home for the college. Amount of the issue to be requested is under study by the governing board and its architect, Gordon Stafford of Sacramento, appointed last week at a meeting in Auburn.

Before the amount is determined, the board, Stafford, Superintendent Bequette, county superintendent of Harold M. Weaver and Albert F. schools, will visit new plants at Ventura, Orange Coast, Bakersfield and Reedley, June 18 and 19, to determine how best to meet the needs for a new plant planned for 1000 students.

Weaver stressed the point the board will give no consideration to the site location until such time as a bond issue has been approved by the voters.

Among the schools Stafford has designed are the Tahoe-Truckee High School, Lincoln Union High School, additions at Roseville Union High School, as well as elementary school projects that include Forest Hill, Alta Vista, Colfax, Ophir and Penryn.

Other Business

Other business transacted at last week's meeting in Auburn included:

Set the salary of Harold M. Weaver as district superintendent and president at \$13,000 annually. Awarded a contract to Norman Schade, a high school teacher, as special assistant football coach for 1957 season.

Added Miss Jeanne Takemoto, a graduate of Sierra College, and Mrs. Pearl Haines, a former county employee, to the clerical staff of the college. Mrs. Haines will serve as bookkeeper and Miss Takemoto as attendance clerk and stenographer.

Adjourned to June 12 to complete the 1957-1958 budget.

Bridge At Emerald Is Taken From Bill

State Senator Swift Berry of El Dorado County dropped a provision in SB 524 to provide for the construction of the Emerald Bay, Lake Tahoe, bridge.

Senator Berry, due to opposition in the assembly ways and means committee, amended his measure to call for the appropriation of \$2,000,000 for the construction of a new highway across Bliss State Park and Emerald Bay State Park. He eliminated a provision specifically providing for construction of a bridge across Emerald Bay.

The proposal to build the bridge met stiff opposition of those who do not want the scenic beauty of Emerald Bay destroyed.

Assemblyman Thomas J. MacBrade of Sacramento County, who opposed the bridge feature in the Berry measure, pointed out the idea is premature because the state division of highways presently is conducting a survey to determine if it is necessary.

MacBrade said the study may reveal it will be feasible to construct a high level road which will make it unnecessary to build the bridge.

"Appropriating money to build the bridge is not justified at this time," MacBrade stated.

The ways and means committee approved the Berry bill after the bridge requirement was amended out.

JITNEY DINNER FOR GIRLS IS ENJOYED

A capacity group of the Donner Council, No. 13, Pythian Sunshine Girls, enjoyed the jitney dinner and cake-walk last week planned by Mrs. Charles Heller, royal advisor and a committee composed of Mesdames L. Miller, W. Quarty and M. Harris.

The next meeting of the organization will be June 19 when the girls will prepare and send towels to the Pythian Youth Camp, located in the Sequoias. The gift is part of the philanthropic work of the local council.

Mr. and Mrs. Chris Windsat who have been traveling during the winter are now staying at Kings Beach.

Chamber Prepares Brochures; Studies Location Of Events

Directors of the Truckee Chamber of Commerce, meeting Wednesday at Smart's, decided to proceed with plans to circulate 20,000 five-color brochures advertising the area and will seek funds to offset the cost.

Tentative plans were also discussed for the Independence Day fireworks at Donner Lake and the outboard motor boat races. However, the location of this year's lake events are in question since it was disclosed that the Donner Lake Development Company is now fencing the beach at the west end of the lake against free public use.

Tom James and Jack Brown of North Tahoe appeared before the directors relative to support for a highway sign project advertising U.S. Highway 40 and North Tahoe. President Rex Reid explained that because of the expense involved in the new brochures, it was not possible at this time for the local chamber to give more than moral assistance.

The directors meet each second and fourth Wednesday at Smart's at noon and the public is invited to attend these meetings.

Junior Baseball Is In Need Of Parents

If Truckee youngsters are to have the benefit and pleasures from an organized Little Baseball League and Pony League this summer, parents will have to show more interest.

This opinion was expressed by Daven Morey, chairman of the Truckee Athletic Club's committee, who has called another meeting to be held Monday, June 17 at 7:30 p.m. in the Community Church basement.

A previously called meeting was not attended by parents and Morey is urging everyone interested in the program to attend Monday's meeting. Unless sufficient interest is shown, he declared, the program will be dropped. Coaches, sponsors and managers are badly needed, he declared.

BIDS SUBMITTED FOR ALTA ROAD DETOUR

Fredrickson and Watson Construction Co. and Ransome Company of Oakland submitted the low bid of \$291,111.11 for construction of a detour from Monte Vista to Alta Road on Highway 40, it was announced today by Alan S. Hart, district engineer for the division of highways. Bids were opened in Sacramento yesterday. There were 10 bidders.

The two-lane detour, 2.6 miles long, will be over existing Placer County roads on which the surface will be improved and some realignment will be done. No delay on highway 40 will be encountered.

POLLUTION CONTROL BOARD WILL MEET

C. A. Scholl, chairman, has announced that the Lahontan Regional Water Pollution Control Board will hold its 29th regular meeting at the Community Center, Tahoe City, June 20 at 9:30 a.m. Among items to be considered will be waste discharge requirements on the proposed sewage facilities for the Squaw Valley Olympics.

Cecil Edmunds is the local member of the board.

Commissioners Inspect Olympic Games Site

Stephen Royce of Pasadena, member of the California Olympic Commission, accompanied by H. D. Thoreau, the commission's executive secretary, and Walter M. Barrett, local commission member, made an inspection tour of Squaw Valley Tuesday preparatory to a meeting of the commission in San Francisco, Friday, June 21 at 10:30 a.m.

At the meeting the commission will discuss land acquisition and will pass on contracts for the first phase of the building program.

BILL TO GOVERNOR

Senator Harold Johnson's bill, SB785 to prevent the state fish and game commission from closing portions of the Truckee River in California to all but fly fishing has passed both houses of the legislature and now goes to the desk of Governor Goodwin Knight.

Move Is Made To Procure Engine For Local Display

Supervisors Give Approval To Plan By Truckee Rotary Club

The Rotary Club of Truckee has received the endorsement of the Nevada County Board of Supervisors to obtain a steam locomotive to be displayed here, according to a letter from John Trauner, county clerk, directed to Fosten W. Wilson, in behalf of the club.

At the June 3 meeting of the board the members asked that a letter verify the endorsement of the local plan for obtaining the steam locomotive as a monument to the old type of railroading, being cognizant that it has become symbolic of the era of railroading, dear to the hearts of the eastern Nevada County residents.

The supervisors expressed the hope that the Southern Pacific Company will see fit to present Truckee with the requested engine. Johnny Ciardella is heading the Rotary Club committee but is seeking the cooperation of the local organizations in making it possible to secure the mallet.

It is proposed to have the engine placed just west of the fire station on the north side of the tracks.

Since the inception of diesel locomotive, the old iron horses are fast going out of existence and since it was these old mallets that made Truckee possible many years ago, it is only fitting that one be permanently located here.

Some Southern Pacific officials have indicated they will approve the installation of one of the steam engines here providing official sponsorship is given by the supervisors.

Sportsmen Elect New Officers Fri.

Officers for the coming year will be elected at a meeting of the Truckee Outdoor Sportsmen at Capital Hall tomorrow evening at 7:30.

The Sportsmen will also make plans for their annual "back country" jeep trek. This event takes place during July each year and provides a weekend of fun for members and their families. The destination will be discussed at Friday's meeting.

Frank Fox, division of highways superintendent, was nominated at the last meeting to succeed Jack Waggoner as the club president. Other officers nominated included Charles V. Osburn and William Fordham, vice president and Mrs. Edith Welch, secretary.

Directors nominated were Carl Carl Painter, Fred Olson, Jack Thomas, Gene Welch and Heslin Cardinal. Since the latter has departed to make his home in the Eureka area, another nominee undoubtedly will be named.

Nominations are still open and may be made from the floor at tomorrow evening's meeting. All members and guests are invited to be on hand.

GAUTSCHE NAMED TO HEAD HOT ROD CLUB

The Truckee-Tahoe Hot Rod Club recently elected Rolland Gautsche president and also named the other officers for the coming year. They are: Fred Wofford, vice president; Sharon Wofford, secretary-treasurer; Ken Lavery, sergeant at arms; charter members include, beside the above, Nolan Little, Dave Ashton, Bill Christensen, Aaron Thomas, John Nickelson, Dave Whitley, Ron Rau, Don Sites, Dave Vieu, and Tom Dolly.

Members entered the state championship race Sunday at Lodi and will compete in the drag races at Minden, Nev., during the summer. Slides of the events will be shown at the next meeting when plans for a membership drive will be made as well as a dance to be held in July.

The club is sponsored by the California Federation of Women's Club safety division, Mrs. Fred Pedley, chairman.

GIRL SCOUTS HOLD DONNER LAKE PICNIC

Girl Scout Troop, No. 2 and Brownies, with their families spent last Friday at Donner Lake with a swimming party and picnic lunch.

Members of the troop Monday will deliver cookies during their 8th annual sale, assisted by Mrs. Fred Pedley, their leader.

Concluding the event the group will enjoy a swimming party to be held at Carson Hot Springs, Nev.

NAME IS CHOSEN FOR SQUAW VALLEY PARK

The state senate has joined the assembly in adopting a resolution, ACR 186, Lowrey, requesting the park commission to name the Squaw Valley Snowshoe Thompson State Park when it is taken over by the state after the 1960 events.

Tavern To Open

Summer is here no matter what the skies say. Tahoe Tavern is opening for the season 10 days earlier than last year. Manager and owner, Fred Ichelson, Jr., is here with his assistant manager, Al Brune of Oakland. The report is that the managers are considering the advisability of remaining open this coming winter. Time will tell what decision is reached.

Rotary Meets

Rotary members met for a luncheon meeting at the Tahoe Inn Tuesday. Seven visitors and the 32 members present heard Albert Hettler of the Southwest Blood Service Plan explain how blood may be donated in emergencies or how residents may subscribe to the blood bank plan which he described as low-cost insurance if blood

should be needed. Hettler described the Blood Service Plan as nationwide. It is a non-profit organization and the Washoe Medical Center Blood Bank joined the service a year ago. Rotarians have been donating blood for the wife of a member for the past several months and a group of men will go to Reno this week to donate more blood for transfer to the Tahoe Forest Hospital.

Rotary President Steve Korich announced the June 11 meeting to be a luncheon meeting at 12:15 at the Tahoe Inn. The luncheon program will continue throughout the summer.

Shower Hostess

Mrs. Lillian Farr was hostess Thursday to a teachers' shower honoring Miss Geri Bean who will be married the last day of July. A trousseau gift was given by the group. The guests included Mrs. Elaine Wright, Mrs. Pat Butterfield, Mrs. Etta Taylor, Mrs. Helen Rauscher, Mrs. Solveig Beavers and Mrs. Pat Fox. Al Covello, the bridegroom to be, who is with the inspection station in Truckee, was also present. The couple plan a

two-week honeymoon in Honolulu.

Visit Lake

Mr. and Mrs. Calvin Pratt and their three children, Cindy, Allison and Beccy, spent a long weekend here visiting for the first time in several years. Pratt had spent college summer working at the Tahoe Tavern and over at Sandy Beach. He is now with the Campbell Soup Company in Sacramento.

Has Birthday

Jerry Jorgensen celebrated his ninth birthday with the ending of the school term. Dinner with his friend, Jeff McLane, and a movie afterward with his father, Bob Jorgensen and sister, Janet, ended the festive day.

Week At Tahoe

Don Baker from San Francisco is spending most of a week here for his first spring or summer visit in some years. Baker has been up several times for the winter skiing at Squaw Valley.

Birthday Party

Another birthday this week is that of Karla Kiser who turned eleven. Four school friends, Janis Giannini, Patsy Cooke, Erica McLane and Pamela Pomin joined

Karla with their bedrolls ready for a slumber party either within or out of doors. Horseback riding and a movie were part of the program.

Visits Daughters

Mrs. D. M. Brodehl from the bay area, mother of Mrs. Beccy Shontz and of Mrs. Vi Pomin, is visiting for several days with both families staying this time in the Pomin home. Mrs. Brodehl was a former resident here for several years back in the 1930's.

New Pool

Russell 'n Pines Motel is sporting a brand new swimming pool right in the southwest corner of the patio. It is amazing how quickly it grew there.

Officers Installed

New officers of the Women's Club of Tahoe were installed Thursday in the banquet room of the Crystal Bay Club by Mrs. Margarite Webb of Roseville, a visiting official of the Federation of Women's Clubs. After luncheon the annual fashion show put on jointly by the Porter's Apparel Shop and the Knit Shoppe of Tahoe City was conducted by Warren Porter who gave interesting descriptions of and comments of the many fashions shown. Among those modeling the clothing and sun wear from the two shops were the following women and children: Mrs. Violet Pomin and her daughter, Duane; Mrs. Beccy Shontz and her daughter, Jayne; Mrs. Grass Valley, California, the same Bernie Bechdolt, Mrs. Carolyn Henrikson, Mrs. Marylee Boyle, Mrs. Bonnie Jones, all of Tahoe City; Mrs. Opal Selkirk of Tahoe Park; the Misses Pamela and Penny Clark of Tahoe Pines; Mrs. Marshall Rukhala of Lake Forest and Mrs. Margery Fellows of Carmel Bay.

LAKE LEVEL

TAHOE CITY—The level of Lake Tahoe Monday stood at 6228 feet with 300 cfs of water leaving the gates. The temperature for the week varied from a warm of 72 to a low of 40 degrees.

The United States-Canadian border consists of 1749 miles on land and 2237 miles of water.

Officers Installed In Tahoe Club Meet

TAHOE CITY—Eighty-five members, and guests, of the Women's Club of Tahoe gathered in the main dining room of Crystal Bay Club, North Tahoe, on June 6 at 1 p.m. for the annual luncheon of the group featuring installation of new officers and a fashion show.

Tables were decorated in a French motif, the handiwork of Mrs. Kenneth Marvin and Mrs. Enrico Giannini, who placed bowls of colored flowers about the room. Theme of the day, and the fashion show, was "An American in Paris."

The luncheon was prefaced by the salute to the flag and the reading of the collect, led by President Mrs. Donald Snyder of Lake Forest. Mrs. Ivan Wilson provided soft background music during the repast, after which gifts were presented outgoing officers by Mrs. Phil Geier.

Mrs. Paul Webb of Loomis, former Federated State Bible chairman and member of the Tahoe club, conducted the Federated installation service. Officers who will conduct the 1957-58 season include President Mrs. Donald Snyder; Vice President Mrs. Jay Shontz; Corresponding Secretary Mrs. E. H. Le Pire; Recording Secretary Mrs. Richard Clarke and Treasurer Mrs. George Caulkett. New directors are Mrs. Howard Guth and Mrs. Marshall Rukhala. Following the ceremony Mrs. Webb congratulated each officer and presented each a corsage of pink and white flowers which she raised in her gardens at Loomis, and which she made up.

Mrs. Snyder announced the next meeting of the club is scheduled for July 11 at the home of Mrs. A. A. Snyder of Lake Forest. At this time members will entertain the local Girl Scouts and Brownies at a barbeque. On June 29 the Women's Club of Tahoe will hold its annual bazaar in the hall of the Tahoe Community Center building in town from 10 a.m. to 4 p.m. Mrs. A. A. Snyder is chairman of the bazaar and will be assisted by Mesdames Bert Anderson, Robert Watson, Phil Geier, Ivan Wilson, Richard Taylor, E. H. Le Pire and George Selkirk.

Dr. S. M. Dingwall, veterinarian, has opened his animal hospital at Tahoe City after wintering at La Jolla.

Victor Wikander wrote that they are having a vacation at Piedmont and wished to keep up with the news of the region by having the Sierra Sun follow them to their new location.

Dale Grahn of Tahoe City was engaged as a diver last week by the Burney Lumber Company near Truckee to penetrate the dark waters of the mill pond to locate broken link chains, necessary to the company's operation.

Mrs. Jody Maher and her daughter, Miss B. Maher, have arrived from Palm Springs to Meeks Bay for the summer.

The sailing ship "Balclutha," now tied up at Pier 43 in San Francisco, spent 24 years in the Alaskan trade as the "Star of Alaska."

Almost every known grape variety can be grown in California. This is because climate and the state's eight principal wine districts include almost every combination of climate and soil found elsewhere in the world's other great vineyard regions.

sisted by Mesdames Bert Anderson, Robert Watson, Phil Geier, Ivan Wilson, Richard Taylor, E. H. Le Pire and George Selkirk.

Mr. and Mrs. Warren Porter sponsored the delightful fashion show. Models included Mesdames Howard Carnell, William Becholdt, Raymond Fellows, Oliver Henrikson, Marshall Rukhala, George Selkirk, Robert Pomin, Melvin Jones, George Boyle, Ronald Grinstead, Jay Shontz, and the Misses Jayne Shontz, Denny and Pamela Clarke. Porter manned the "mike" with efficiency. Winding up the show in a surprise appearance was Tahoe City's chief of the Volunteer Fire Department, Al Henry, who had donned a "turnout suit" to show the ladies just what one was. The club recently purchased one of these modern fire-fighting outfits for the local department.

Guests from the Truckee area included Mrs. Helen McCarty of Soda Springs; Mrs. Gladys Pedley, state safety chairman; Mrs. Laura Horman and Mrs. Slade of Donner Lake, and Mrs. Irene Edwards and Virginia Roberts of Truckee.

TAHOE POSTSCRIPTS

By Mrs. Marie Henry: The most important thing to do during an emergency is tune your radio to the "Conelrad" number, 640 and 1240, on your dial. Do this as the first air alert sounds. You will receive authentic pre-attack information and instructions about where to go, what to do and when to do it.

Mrs. Marie Henry has been re-elected by unanimous vote to the board of directors of the American Red Cross for the period of July 1st, 1957 to July 1st, 1960.

Mr. and Mrs. George Welch, uncle and aunt of Mrs. Jeannette Mitchell of Sunnyside who enjoyed a two-weeks' visit here, left on Monday for their home in Alhambra.

Mrs. Frank Daft observed her birthday on Saturday last with her husband at a North Shore resort.

Mr. and Mrs. Rob Watson of Newcastle are again occupying their summer camp near the Highlands for the season. They have erected another cabin for added comfort.

It's Sunday again, and the first wet day we have had all week. But summer lingers in the offing as the first flowers of spring appear in the forest glades. Pale lavender squaw carpet under the pine trees, dotted here and there with fiery red snowplant, which for some reason are not as plentiful as in other seasons. Skunk cabbage, with the technical name of free helibore, should be beautiful this summer, plants healthy and plentiful everywhere, their pale yellow plumes one of Tahoe's prettiest sights when an early freeze does not kill them off. White wild bridal wreath too is dotting the highway and meadows, so here's hoping the lake region will enjoy a real display of spring flowers for our city visitors!

Had a cheery message, and beautiful postal card bearing the picture of the great Cathedral of Cologne, in Germany, from Mrs. Jack Wolert of Truckee, who with her husband is enjoying an extended visit in Europe. She wrote of the great beauty of the structure, and of the city, and promised to write at length when they returned to Hamburg, which she described as a cold city of little interest.

Mrs. Donald Snyder will join the selling staff of the Warren Porters' Wearing Apparel Store in Tahoe City this week for the summer.

Mr. and Mrs. Bert Anderson of Pineland are entertaining guests from Anchorage, Alaska, for two weeks. They are Mrs. Anderson's brother-in-law and sister, Mr. and Mrs. Clifford Uzzell and daughters, Michelle and Camille.

Recent residents of the Tahoe Park area who enjoyed a visit to their summer homes are Mr. and Mrs. Paul Webb of Loomis and Mr. and Mrs. Edward L. Kase of San Francisco. In for the season at their Truckee River home for the summer are Mr. and Mrs. P. A. Stokes of southern California.

A message comes to the many friends of Mrs. Douglas Chism in the Truckee-Tahoe area through Mrs. Yvonne Becholdt of Tahoe City.

Jay Shontz of Tahoe City Drug received a real surprise last week when his sister whom he has not seen for 10 years dropped in from Toledo, Ohio, to pay him a visit with her family. They are Mr. and Mrs. Ed Huntzinger and children, Michael and Louanne. They will

visit other relatives in California before returning to their Ohio home.

Mr. and Mrs. Sandy Saunders of Sparks were Tahoe visitors on Sunday, Mr. Saunders doing some painting on their Tahoe Park home while Mrs. Saunders visited at the Jeannette Mitchell home.

A dream of long standing is at last coming true for Mr. and Mrs. Joe Duffee, late of Sacramento. The Duffees were among Tahoe's early settlers and lived at Lake Forest for many years before deciding to move to the Capital City. They have regretted the move ever since and last week started to remedy the situation for good. Ken Steadom, Tahoe Tavern Heights contractor, has under construction a lovely new two-bedroom house for the Duffees about one half mile north of Tahoe City near the home of their only daughter, and family, the Charles Henriksens. It is a modern frame building which will be equipped with all modern conveniences and which they will be able to occupy, barring unforeseen incidents, by the end of July or early August, and may we be the first to say, welcome back home old friends!

Fishing news at Tahoe appears to be getting more encouraging as reports last week from local Isaac Waltons was good. On Tuesday evening Jim Baker caught three nice trout near Sanford's Town and Country in the lake. They included a 3 1/2-pound mackinaw, a 4-pound silver and a smaller German brown. On Wednesday evening Chuck Henrikson and Jim tried their luck again in the same location. Chuck bringing in a beautiful rainbow which weighed over six pounds. Earlier in the week a visitor on Tahoe Boat Company's pier also hooked a nice 6-pound rainbow. My good friend Waldo Gross of Lake Forest reports consistent, but not spectacular luck with his fishing parties. On Thursday he piloted an excursion for Elfred Luhrs of the Truckee River, who were up for several days from their Piedmont home. They brought in eight mackinaw weighing up to five pounds.

Guests and management of Tahoe Inn had a pleasant surprise on Thursday evening last when Gertrude Berg—"Molly" of the Goldbergs on radio—dropped in with two lady companions to register for the night, and dinner. She left the following morning.

Mrs. Fern Schlueter and her sister, Vivian Nelson, of Tahoe

Park also received an unexpected surprise on Thursday evening last. They were enjoying one of Sunny-side Lodge's famous Italian dinners when in walked a gentleman and his family. His face was familiar, but he had to introduce before the girls realized he was a cousin they had not seen for years. The family had just motored from New York where shortly before they arrived from Lubere, Belgian Congo, Africa.

I write this on Pentecost Sunday, a pleasant day in the memory of Father Patrick O'Neill of the Truckee-Donner-Lake Tahoe Catholic Parishes, for it was 10 years ago today that he was ordained a priest. May he be with us for many more years to come!

Starting Monday, June 10, summer catechism classes will start at Tahoe's Corpus Christi Chapel for youngsters of this area, to be conducted by the Dominican Sisters. Classes will start daily at 9:15 a.m. and run until 12:15 p.m., with a mass scheduled each day during the instruction at 12 noon.

Graduation, Etc.

It was a wonderful week for those young people that graduated from the Tahoe-Truckee High School. It was a full day for all of them. After the assembly, a picnic was enjoyed to the full. The assembly was quite an affair, as that was when the students received their scholarships, and a happier gathering I never did see. It was even a whole lot of fun to me. I felt as though I was out of school for a good vacation, anyway. Then I woke up and knew I had to get back to the office, but the memory of seeing young Americans accepting the scholarships was an inspiration to all present. I will not dwell too long on all that took place, as I am sure it will be in another part of this issue. I was there in behalf of the Lake Tahoe Lions Club to present a scholarship to one of the outstanding students which was none other than Nikki Ann Wing of Kings Beach and believe me I was mighty proud. The scholarship was the Ray Sorensen Memorial Scholarship. The graduation ceremony was just wonderful.

Back Home

Our old friend Jack Judy is back in town after spending a number of years down around the Salton Sea in southern California. Jack has been quite sick and a good rest and different environment will cheer him up. He was well known in the area a few years ago, and those who knew him would be doing Jack a lot of good if they would go and visit with him.

Not Well

Mary Abbott has been in the Tahoe Truckee Hospital for quite some time, but the report is that she is improving and it will not be too long before she is able to come home. We sure miss her around town and hope she will recover quickly.

Improving

Had a visit with Lillian King a few days ago and was pleasantly surprised to see how cheerful she is, and by all accounts will soon be able to be on the move. Lillian was always too active to sit around too long and we sure wish her a fast recovery.

Welcome Visitors

Among those visiting over the graduation were Joellyn Ashton from Salt Lake City, Utah; Diana Abbott from Seattle and Charles Redd from Oakland. After the big day, Davey Ashton left for Long Beach where he is to do a couple of weeks with the navy. Kenny Lavery leaves on June 14 for Treasure Island then on to San Diego, and Panama. Nice cruise, Kenny.

Seeking Road Signs

KINGS BEACH—The activity of the Highway 40-North Tahoe outdoor advertising highway sign program is making headway, according to the reports submitted at the last meeting of the North Lake Tahoe Business Men's Association. Maxine Polzin, secretary, reported that over \$3000 had been subscribed in cash and pledges up to May 15. The committee, comprised of Leon Barker, Lyle Gunkle, Charles Rich, Alice Sorensen, C. C. Templeton, Bob Davis, Earl Gray, Larry Ludlow, Earl Ellison, assisted by other businessmen, have been making personal calls on all places of business in the area. As these places have been re-opened for the season, owners have been declaring their commitments for the highway sign program.

Tom James, committee chairman, states that the organization is attempting to have this program under way and the signs working so that tourists may become familiar with the scenic route of Highways 40, 89, 28 and the Mt.

pet parakeet, yellow and green. She is so sorrowful she lost her's one day, and the very next day a stray one flew into her home but she would rather have her own.

Visiting

Had a nice visit from our friend of the past 33 years, Floyd Parsons, who was here from Pasadena on a short visit. I understand he and his good wife will be back before long.

Weather

Sunday of last week was a pretty wet one, but even at that right in the middle of a big rain four men teed off on the golf course, and it rained all the time they were trudging around the course. Nothing could dampen their love for their golf. One of them wrung his sweater out with the remark, I won the game, anyway.

Nursing

Now we hear that three young ladies are planning to take up nurse training, one has already been accepted and will start soon, she is Janice Mandeville. The other prospectives are Marsha Graton and Anita Antillon. A great profession for any young lady.

Progress

The North Tahoe Businessmen's Association meeting was well attended last Sunday night at the Crystal Bay. There were representatives from all the clubs in the area and according to Tom James the association will get a lot of support from them. One of the most urgent of the activities is the road signs. The committee on same gave a very good report of progress. This meeting was the last till fall.

Lions

Members of the Lake Tahoe Lions Club attended a big meeting at the south shore of the Lake Tahoe South Shore Club, and then on Tuesday night the officers of the Lake Tahoe Club were installed by incoming Deputy District Governor Gastanaga of the Reno Club. It was ladies' night and was well attended. Red Waddell is the new president; Jackson Brandt, first vice president; Ed Francis, second vice president; Winn Merrill, secretary; Elmer Morrish, treasurer; Clark Powell, tail twister; Jerry Culbertson, lion tamer; Wally Skaggs, Ernie Crawford and Cliff Lightner were named directors.

Fresno Concern Given Highway 50 Contract

Baun Construction Company of Fresno, has been awarded the contract for improving a section of Highway 50 from Tahoe Valley to the California-Nevada state line, District Engineer Alan S. Hart announced in Marysville today. The Fresno construction firm had submitted the low bid of \$305,824.10 for work on the project.

Rose area as soon as possible.

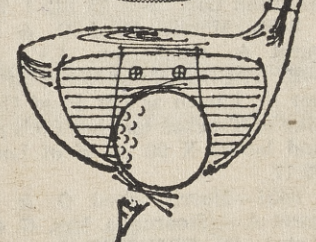

A realization for the need of this highway publicity is growing daily, as the tourist season begins to open, and the need to attract the traveler through the scenic route we have to offer becomes more and more of a necessity. Also, it is pointed out at this time, with the delays due to highway construction, if a person will follow the suggested Mt. Rose route, no delay will be incurred and the traveler will be treated to much scenic beauty which he would otherwise miss.

Tough jobs demand a Universal 'Jeep'

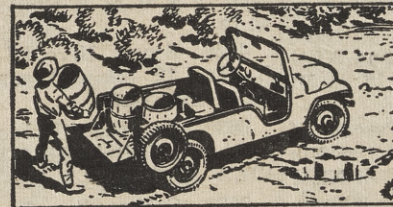

Traction. 4-wheel drive gives the extra traction for traveling up steep grades or broken ground. The 'Jeep' is built to stand up and take it in tough usage.

Mobile power. With power take-off, the Universal 'Jeep' provides mobile power for operating welders, compressors, generators and many other kinds of specialized equipment.

Hydraulic lift. With hydraulic lift, the 4-wheel drive 'Jeep' operates graders, scrapers, post hole diggers and most 3-point hitch implements.

Now a 'Jeep' with longer wheelbase—the new model CJ-6. Carries larger, bulkier loads; has all the features that made the 'Jeep' famous.

A 4-Wheel-Drive Universal 'Jeep' takes you to the job, wherever it is—on the road or off! This rugged performer carries men and equipment over the highway in conventional 2-wheel drive. Then, when work calls for travel off the road—through mud, sand or snow, up hill or down—you shift a single lever for the extra traction of 4-wheel drive. With power take-off, or hydraulic lift, the Universal 'Jeep' does an almost endless variety of jobs. To find out what it can do for you, ask for a demonstration.

STRICTLY STRICKLAND

By Bill Strickland

Summer homeowners on our mountain top are beginning to arrive and are fast getting their abodes into shape. You wouldn't think there would be much work involved in the clean-up process. After all, that soft clean white snow was the only thing that covered the ground since last fall when everything was left in tip-top shape. Still, after the snow has melted, more debris is exposed than you can shake a stick at. Paper plates, empty beer cans, soda water bottles, wooden spoons and forks, old newspapers, cardboard cartons and a myriad of other scraps that are left behind by skiers, tourists, sightseers and picnickers. We've had people sit on the big rock in our front yard have their lunch, engage in snowball fights and then walk away leaving the whole mess lay. Some have commented that since this is all forest service land, and therefore public, anyone can use it any time he pleases, and the forest service will clean it up in the spring. Edvi Aro had quite an experience with a group using his front yard not too long ago. When he asked them to clean up and dispose of the residue, they became pretty hostile, and then accused Edvi of being very unfriendly and anti-social. I must admit that most of our mountain top permanent residents are hale and hearty individuals, but certainly not unfriendly or anti-social.

Helen Reynolds has arrived to open her very nice home for the summer. When the work is completed their tennis court and pool will again be the headquarters for the many guests they entertain during the summer and fall.

Bud, Madelyn and Starr Walton were up last weekend. I imagine they will arrive very shortly for the vacation period. Starr has a very fine saddle horse which usually provides her transportation to all of the attractions around the mountain.

Eleanor Johansen informs us her neighbors, Frank and Irene Bordet, will be up soon. Frank operates a laundry and dry cleaning plant in Palo Alto, but still manages to spend a good part of each summer up here.

Capt. Harry Beyers has just returned from an eight-day flight as the skipper of one of those big Pan-American Strato Cruisers. Harry, like Wayne Poulsen, is out for a week or 10 days, then back to the Sierra for a week or 10 days. A real nice way of making a living we think.

Saw Dick Buek and Ronnie Rau for a minute this morning. Rau is still on crutches and in a cast as a result of that bad spill he took while training for the Sugar Bowl's silver belt race.

Peg Travis of Donner Summit Lodge is taking off next Monday for a trip to Las Vegas. Wilma

Murphy, who is Fran Couillard's sister, operates a show booking business in Sacramento, as well as a Little Theater Group. The Theater Group will be in Las Vegas next week; so, Peg will be going along for a vacation while Wilma makes it a combination business and pleasure trip.

Frances Johnson, who is one of the "Kingvale Belles" has been up to get her summer home ready in the Kingvale Park subdivision. "Johnny," along with several other Sacramento gals, have been coming up every weekend for several summers now.

You know summer is here when they start arriving. They're trying to get away from Sacramento's 100 plus temperatures; so just naturally head for our very pleasant air-conditioned mountain top.

THREE NEW BABIES ARRIVE IN HOSPITAL

Three new citizens arrived within the past week at Tahoe Forest Hospital with Julie Dea being welcomed by her parents, Mr. and Mrs. Julius Gehrke on the morning of June 5. Her birth weight was 7 pounds 9 1/4 ounces.

Mr. and Mrs. Dan Holub became the parents of a daughter on the same day, June 5, and named the little girl Jenny Lynn. The arrival weight was 6 pounds and 1 1/2 ounces.

On June 11 a son arrived for Mr. and Mrs. Calvin Farley, weighing five and one-half pounds. Wallis Craig were the given names chosen for the infant.

Holub and Farley are teaching school here.

SOIL DISTRICT VOTE SLATED FOR TUESDAY

The election on whether the 5th or Sierra Addition to the Nevada County Soil Conservation shall be completed, will be decided at an election to be held on Tuesday, June 18.

Polling places are at the Veterans Memorial building in Nevada City and Truckee Utility District office in Truckee. Polls are open from 1 p.m. to 7 p.m. Any landowner in the addition can vote by executing an affidavit of land ownership at the polls.

Landowners who have had their lands excluded from the addition are not in the addition and do not vote. The addition in general includes all of Nevada County east of the Five Mile House and about 50,000 acres in Placer County lying south and east of Truckee.

Truckee and urban areas in the vicinity of Donner Lake are excluded.

M. A. Benedict will be the inspector in charge of the Nevada City polling place and C. E. Edmonds will serve in a like capacity at Truckee.

To Attend Graduation

Mr. and Mrs. Anthony Dominguez are leaving to attend the graduation of their son, Simon, June 15 from the San Francisco State College.

The young man attended local schools before going to the bay city college where he has majored in social welfare and has accepted a position in that work at San Francisco.

FOUR ARE INJURED IN FLORISTON CRASH

Four people were hurt, none seriously Saturday morning at 12:15 o'clock in a three-car collision near Floriston, Sgt. Frank Snyder of the California Highway Patrol reports.

None of the injured required hospitalization. They were Virginia Depoali of Reno, Romana Mitchell, San Francisco, Oscar Fueston, San Francisco and William O'Hearn, San Francisco.

The accident occurred when Depoali stopped for a flagman at the scene of the highway construction. Alvis Cleo Rich, San Francisco, also stopped. William O'Hearn was unable to stop and his car crashed into the rear of the Rich machine causing the latter to ram the Depoali car. O'Hearn was cited for speeding by Patrolman William Gautsche, who investigated.

In Colorado—

Mr. and Mrs. Gus Benjamin, well known former residents here have written friends that they are happily located at Grand Junction, Colo., where they have bought a new house, planning to make it their permanent location.

POP CLAIMS THAT THERE IS A MAN BY THE NAME OF MR. PING SEATED IN HIS LIVING ROOM. TROUBLE IS BECKY CAN'T SEE HIM. QUESTION IS--IS THERE A MR. PING??

FOLLER MY FINGER, HONEY--AND YOU CAN'T MISS MY OL' PAL, MR. PING!

I AM FOLLOWING YOUR FINGER, POP...

AND (CHOKE) ALL I SEE IS AN EMPTY CHAIR! OH, POP--ARE YOU SURE YOU'RE FEELIN' ALL RIGHT?

NEVER BETTER, HONEY! MAYBE WE OUGHT T'CALL THE DOCTOR FOR YOU!

JUST T'MAKE SURE WHO'S RIGHT, HONEY-- WE'LL PUT IT UP T'SUE. SUE, HONEY-- SHAKE HANDS WITH MR. PING!

IF I COULD FIND HIM, IS HE HIDING SOMEWHERE?

HE'S (GASP) RIGHT IN FRONT O' YOU. MAYBE YOU ARE STILL BLINDED BY THE SUN?

IF YOU'RE TALKING ABOUT SOMEBODY WHO'S SUPPOSED TO BE SITTING IN THAT CHAIR, POP, YOU'VE LOST ME. SUN OR NO SUN-- THAT CHAIR IS EMPTY!!

AIN'T IT TIME FER YOU T' SOUND OFF AND TELL THESE GIRLS YOU ARE HERE, PING, OL' PAL? FIRST THING YOU KNOWS, THEY'LL BE THINKIN' THEIR OLD MAN'S GOT ROCKS FER BRAINS!

IT'S NO USE, BATHLESS, MY FRIEND. THEY CAN'T SEE ME, NO MATTER HOW HARD YOU TRY TO CONVINCE THEM BECAUSE--

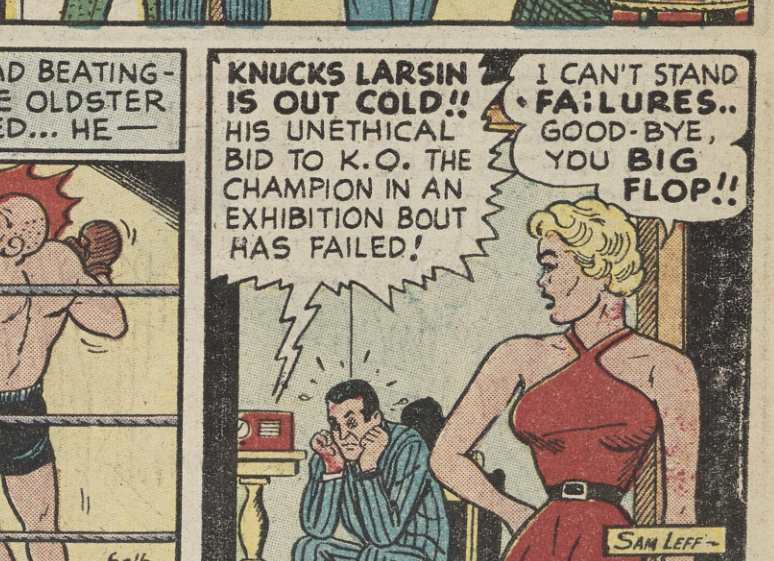

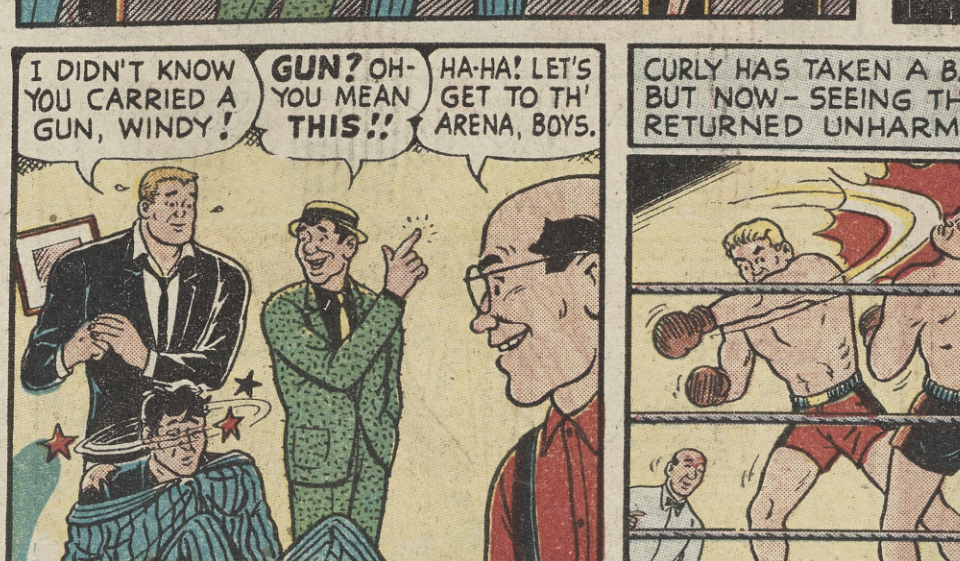

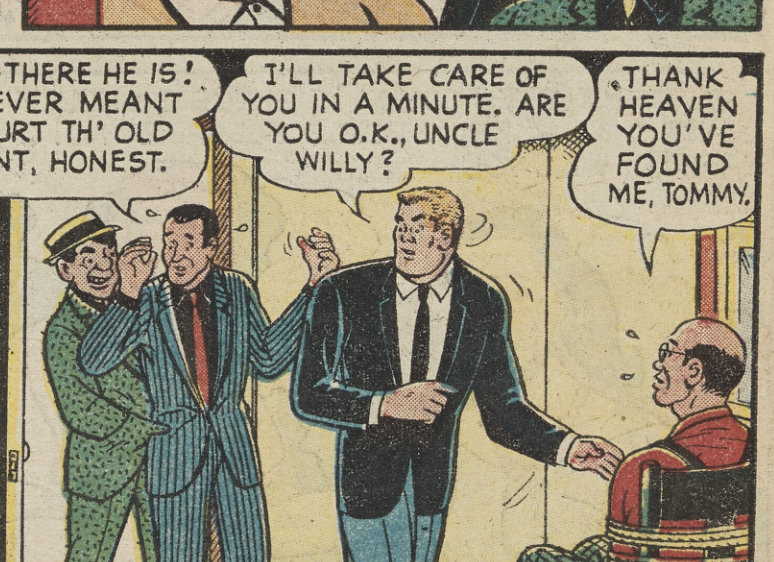

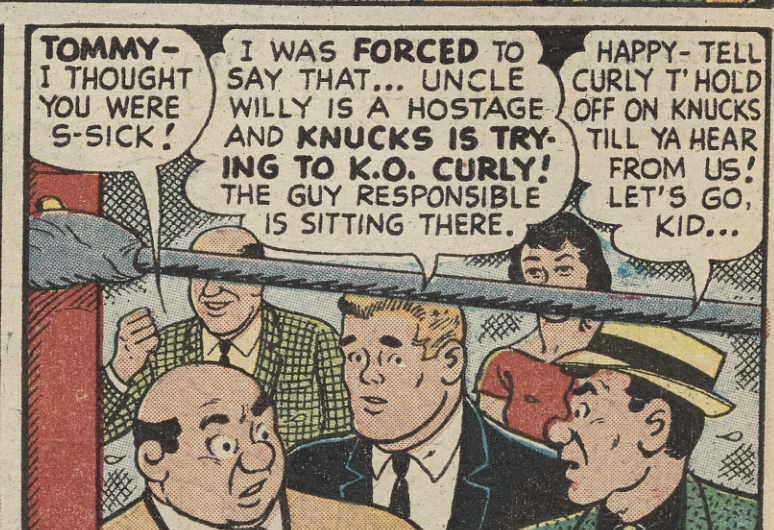

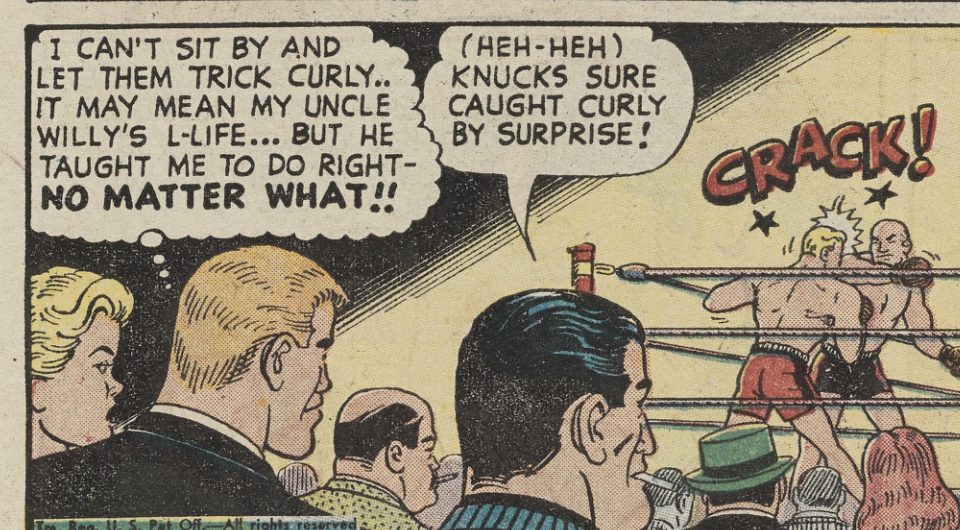

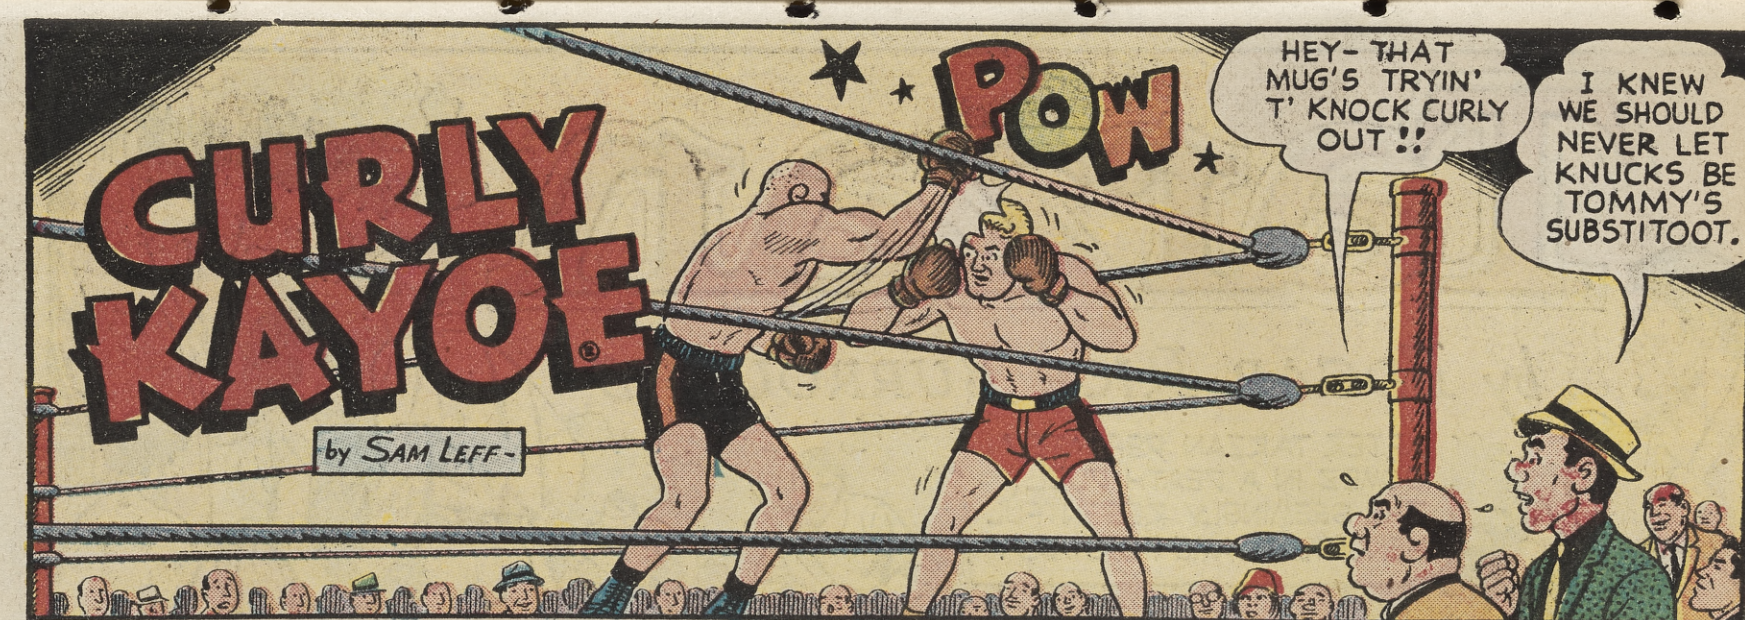

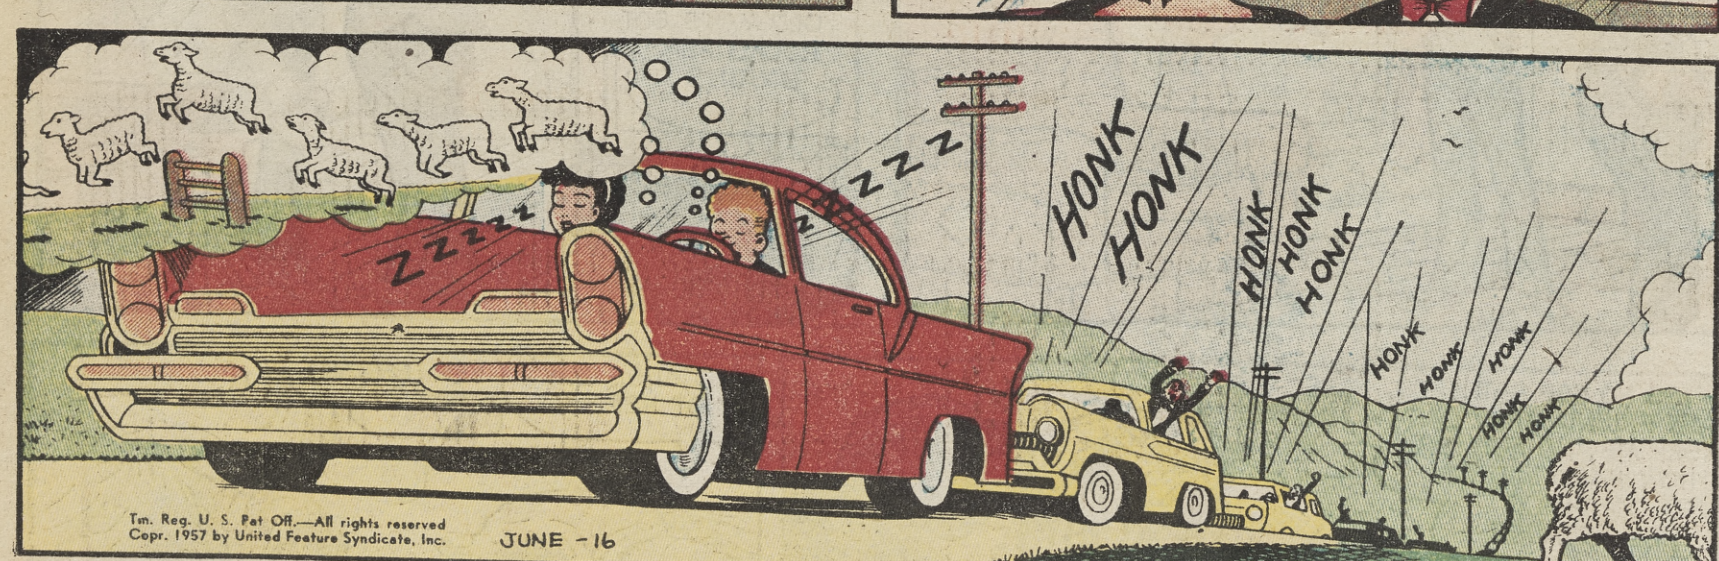

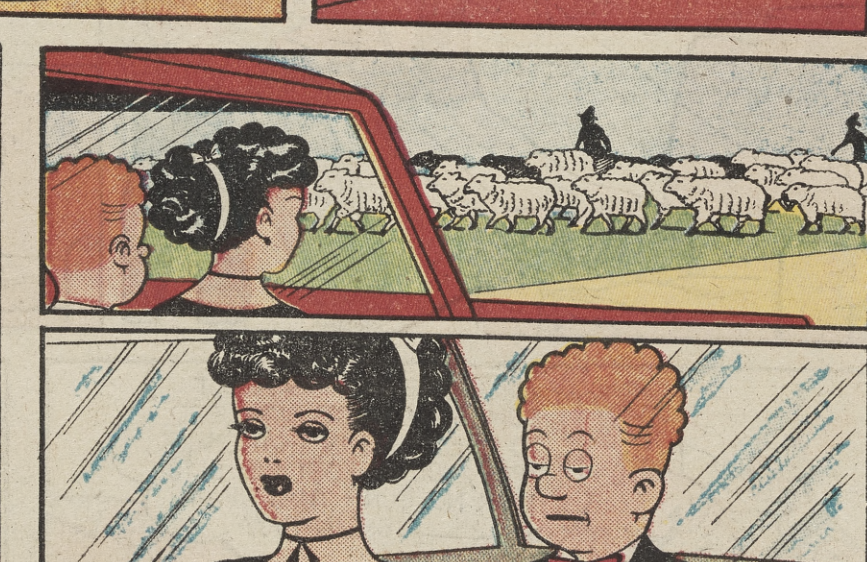

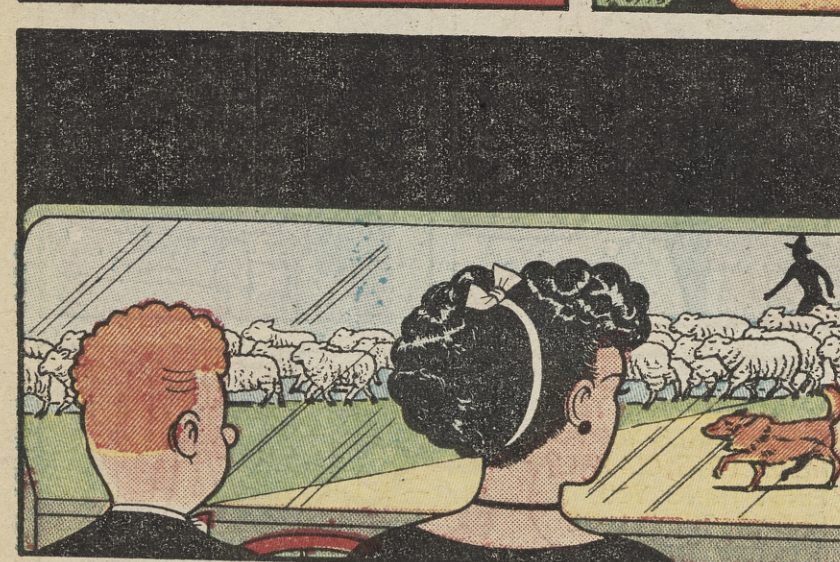

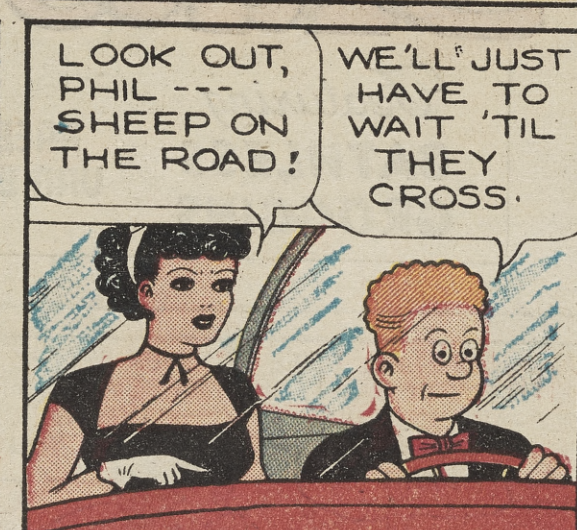

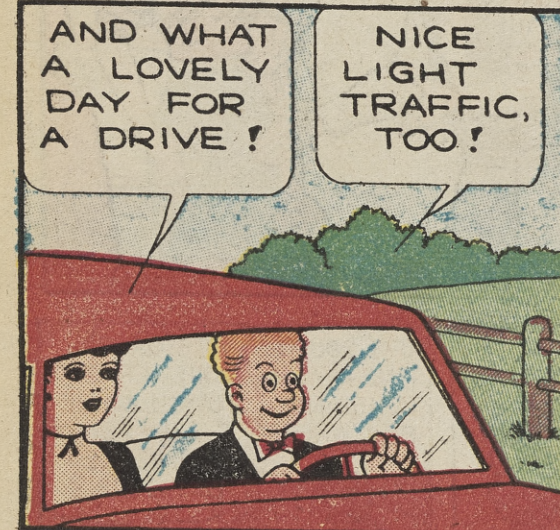

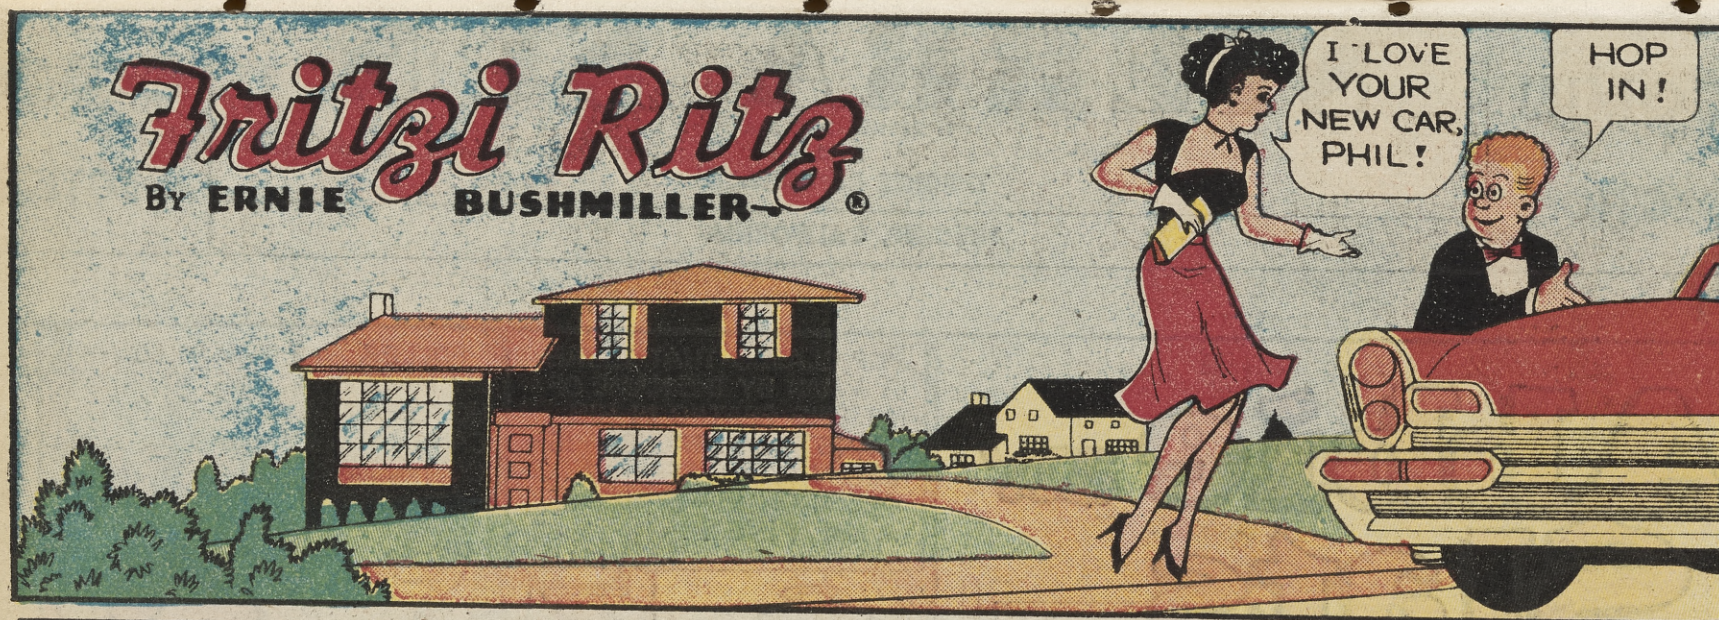

BECAUSE WHY, BLAST YA?

BECAUSE I'M NOT HERE!!

YER (GROAN) NOT??

THE SHOT THAT LOST AN EMPIRE!

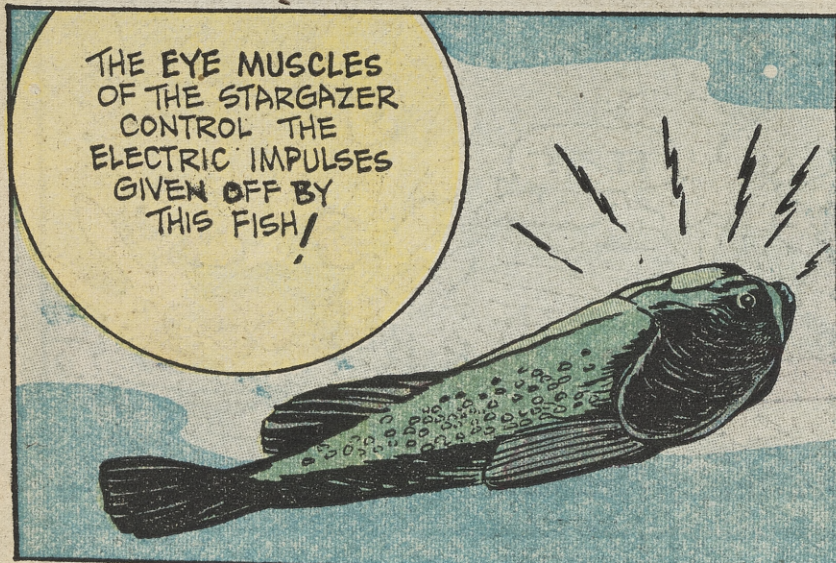

SAMUEL DE CHAMPLAIN, EXPLORING THE ST. LAWRENCE AREA, FIRED ONE UNPROVOKED SHOT AT A GROUP OF INDIANS THAT KILLED THEIR CHIEF... FROM THAT DAY ON, THE RED MEN DESPISED THE FRENCH AND IT STARTED A CHAIN OF EVENTS THAT CAUSED FRANCE TO LOSE HER AMERICAN EMPIRE!

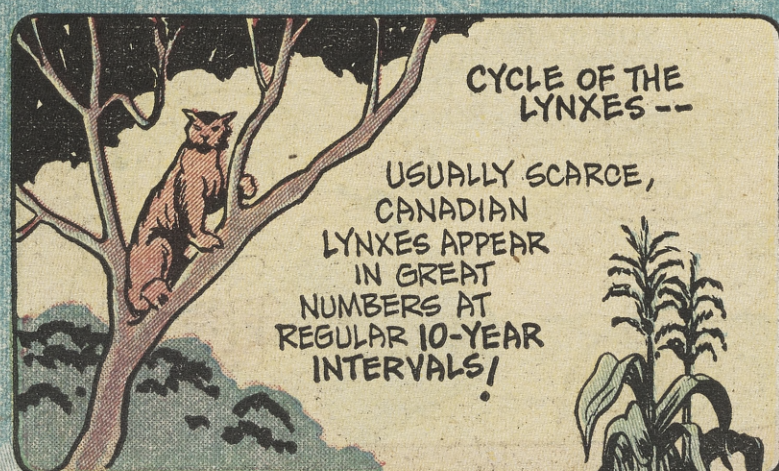

THERE IS A GREATER PERCENTAGE OF SUGAR IN A LEMON THAN THERE IS IN A WATERMELON... (Dept. of Agriculture)

FOR MORE THAN A HUNDRED YEARS, THE MATCHLESS GUARNERIUS VIOLIN OF NICOLÒ PAGANINI HAS BEEN REMOVED FROM ITS SEHLED GLASS CASE EVERY YEAR AND PLAYED VERY DELICATELY. -Genoa, Italy-

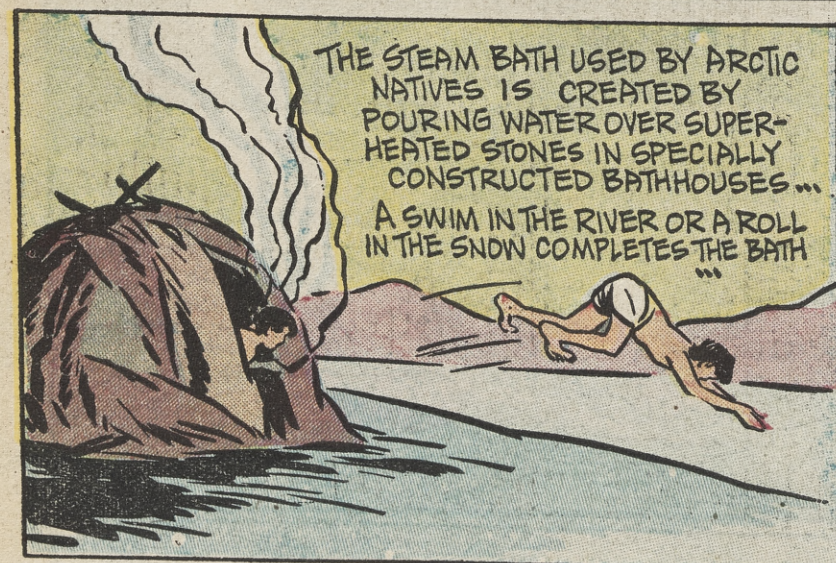

THE EYE MUSCLES OF THE STARGAZER CONTROL THE ELECTRIC IMPULSES GIVEN OFF BY THIS FISH!

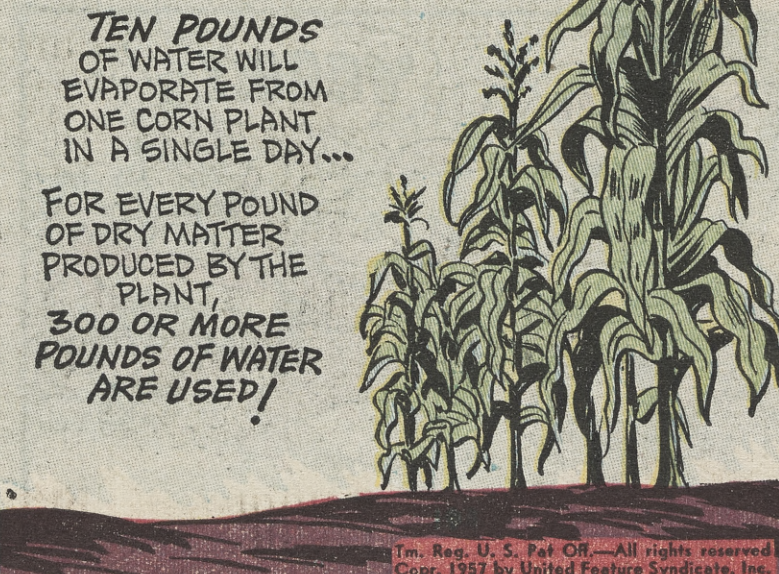

CYCLE OF THE LYNXES--

USUALLY SCARCE, CANADIAN LYNXES APPEAR IN GREAT NUMBERS AT REGULAR 10-YEAR INTERVALS!

THE STEAM BATH USED BY ARCTIC NATIVES IS CREATED BY POURING WATER OVER SUPER-HEATED STONES IN SPECIALLY CONSTRUCTED BATHHOUSES... A SWIM IN THE RIVER OR A ROLL IN THE SNOW COMPLETES THE BATH

TEN POUNDS OF WATER WILL EVAPORATE FROM ONE CORN PLANT IN A SINGLE DAY... FOR EVERY POUND OF DRY MATTER PRODUCED BY THE PLANT, 300 OR MORE POUNDS OF WATER ARE USED!

FATHER'S DAY IS SOMETHING SPECIAL—WHY DON'T WE DO SOMETHING DIFFERENT FOR A CHANGE—?

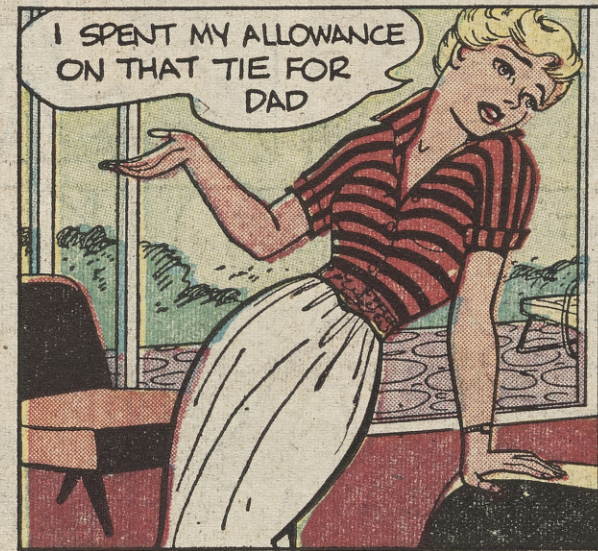

SALLY'S RIGHT, MOM—MAYBE DAD WOULD LIKE TO TAKE US OUT TO DINNER TONIGHT—

WE SHOULD TAKE HIM!

GEE—I CAN'T AFFORD IT—

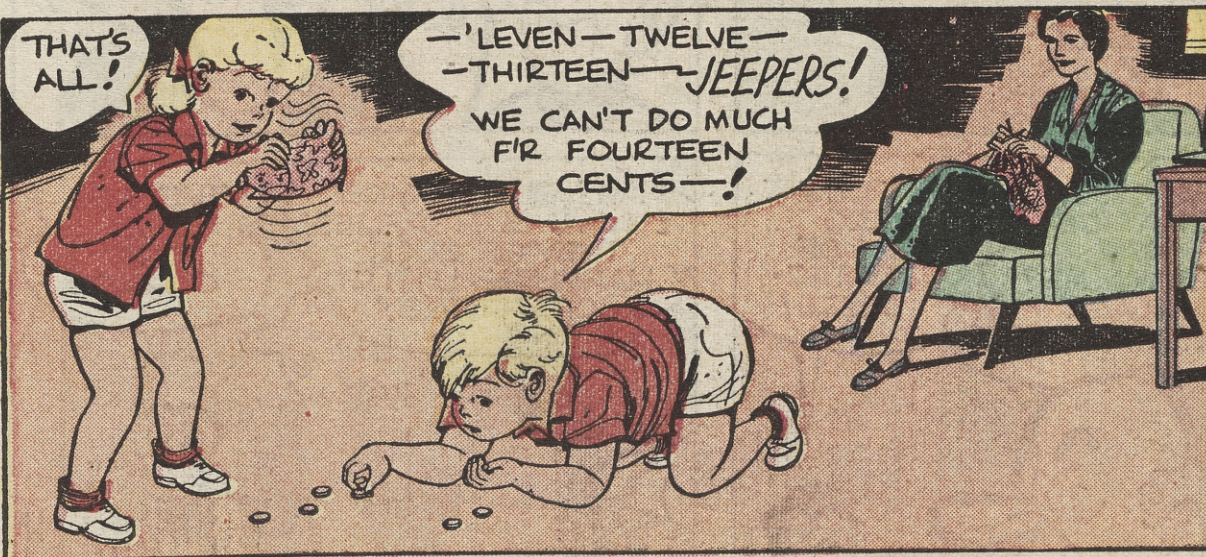

NEITHER CAN I—

I SPENT MY ALLOWANCE ON THAT TIE FOR DAD

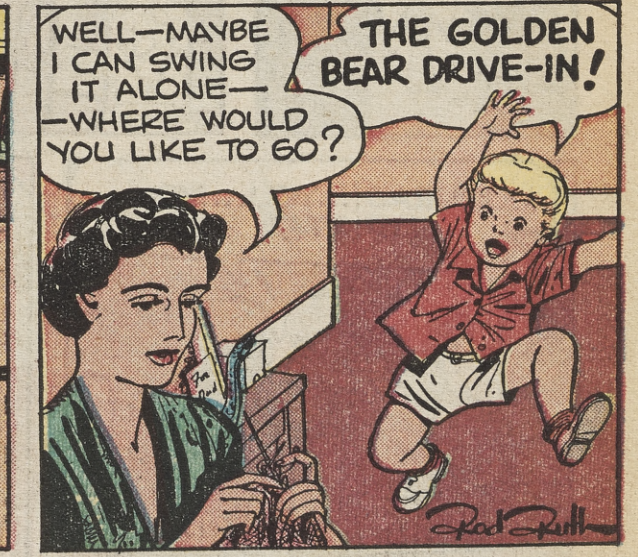

... AND I SHOT THE WORKS ON THOSE GOLD CUFF LINKS...

THAT'S ALL!

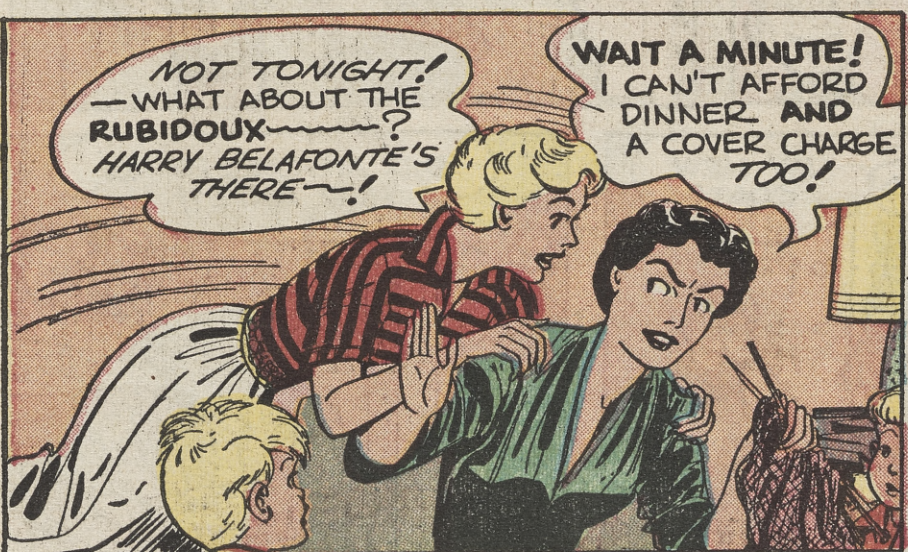

—'LEVEN—TWELVE—THIRTEEN—JEEPERS!

WE CAN'T DO MUCH FOR FOURTEEN CENTS—!

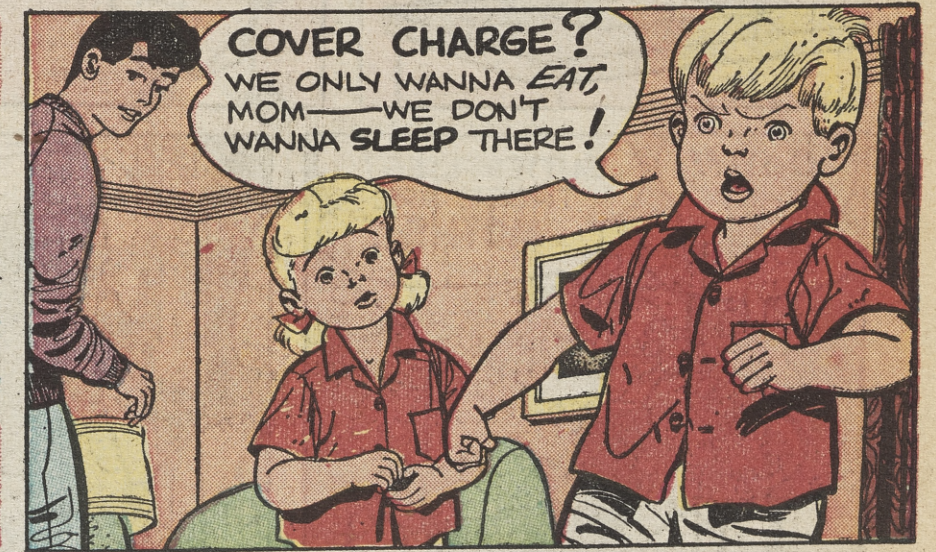

WELL—MAYBE I CAN SWING IT ALONE—WHERE WOULD YOU LIKE TO GO?

THE GOLDEN BEAR DRIVE-IN!

NOT TONIGHT!—WHAT ABOUT THE RUBIDOUX—HARRY BELAFONTE'S THERE—!

WAIT A MINUTE! I CAN'T AFFORD DINNER AND A COVER CHARGE TOO!

COVER CHARGE? WE ONLY WANNA EAT, MOM—WE DON'T WANNA SLEEP THERE!
